Meeting Minutes

The meeting was called to order at 8:30 PM by President Truman Goddard.

The speaker this evening was Pete Larson who gave a very informative talk titled Dinosaurs of the Hell Creek and Lance Formations.

It was announced that at the Board Meeting this evening, it was decided to create a FaceBook page for our club. Members are to be watching their email for further information.

President Goddard asked that someone make a motion to start our meetings at 6:00 PM. A motion was made, seconded, and passed to begin our regular club meetings at 6:00 PM. The speaker will still be scheduled for 7:00.

Pete Larson donated 2 signed copies of the book Dinosaur 13, and 2 DVD copies of the Director's Cut of Dinosaur 13. They were a gift to the club to do with as they chose. There was heated discussion over the subject for quite some time before it was determined the topic would be tabled until the next meeting.

It was announced that Judy has volunteered to put together the monthly newsletter and that all information should be forwarded to her.

Sony informed the club that he will respond to RMF concerning the scholarship which was awarded with no knowledge to our club for all the work Annette had put in to it. Deb will check at the School of Mines to get us involved with the actual presentation of the funds so our club can get recognition.

The meeting adjourned at 8:48 PM and door prizes were called.
